"MATCHBOX"®

A GREAT NEW RANGE

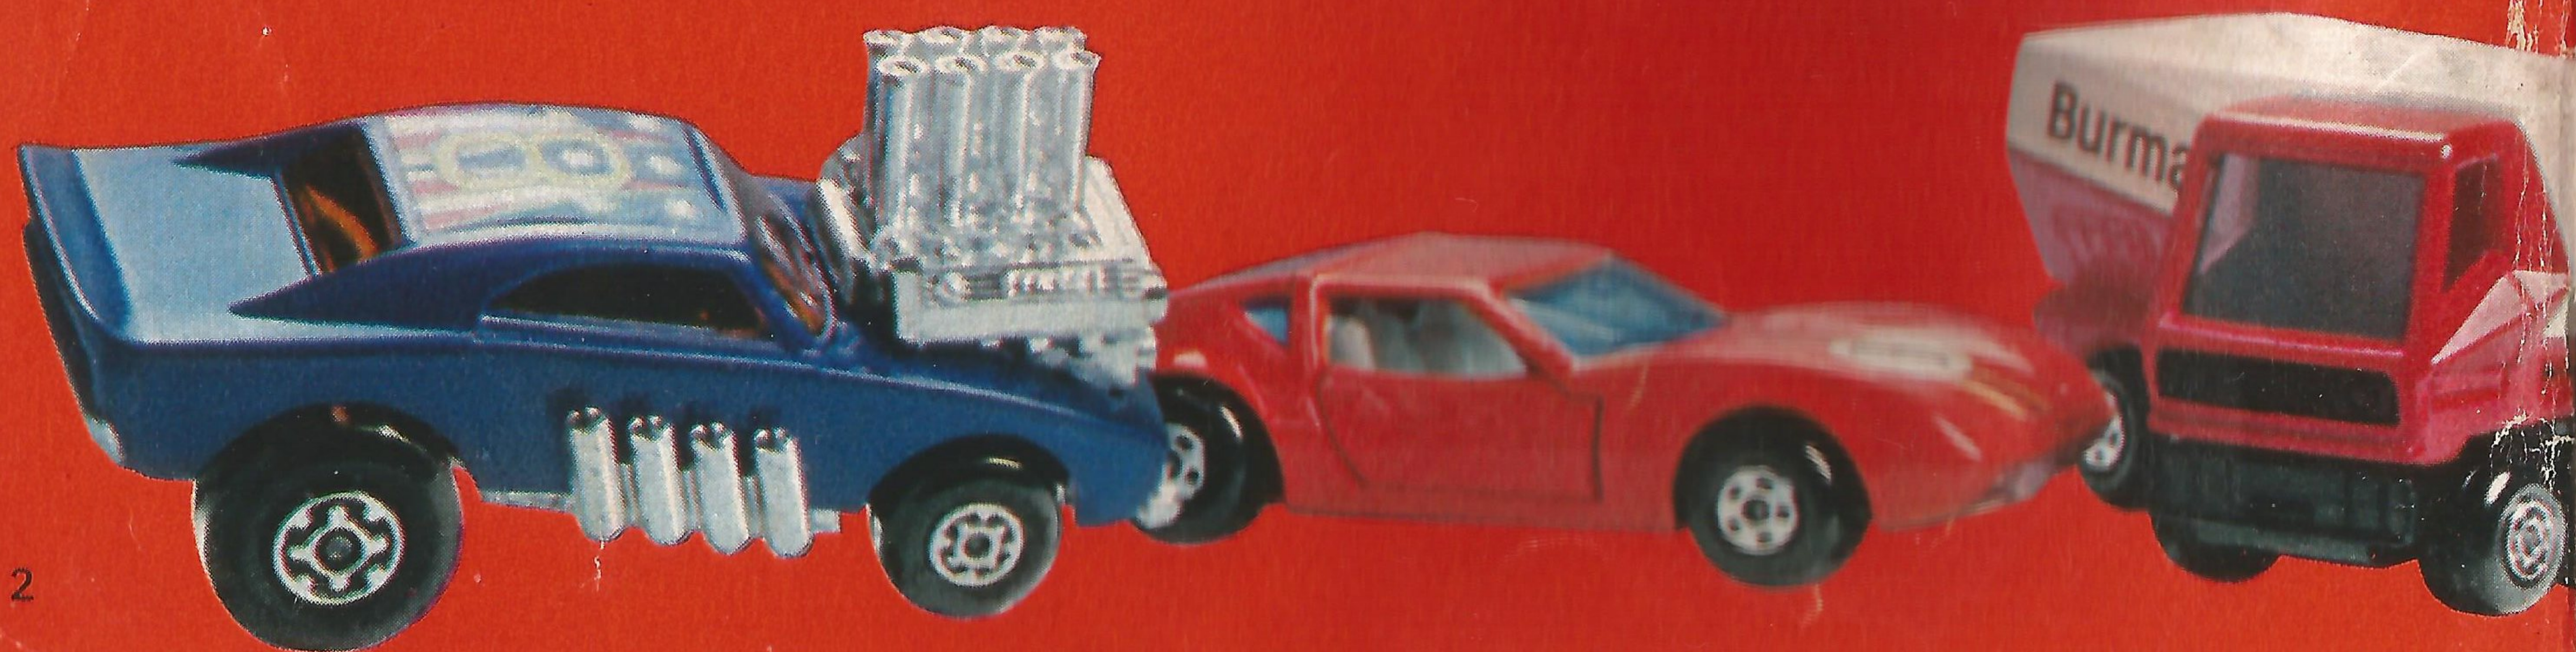

MATCHBOX[®] 75

With a whole cluster of dazzling new models – headed by the sensational “Streakers” – together with all your favourite types of “Superfast” and working “Rolamatics” models, the “MATCHBOX” 75 range gives you even more colour, variety and excitement this year.

“Streakers” – the great new breed of colourful models from the “MATCHBOX” 75 range! Every model has a striking multi-tone livery, and is especially suited for racing along on our new stripe-coloured Streak Sets. Be sure to add “Streakers” to your collection!

“Superfast” – a whole assortment of over fifty models, including finely detailed, authentic production cars; rough, tough trucks and commercials; daredevil racers and dragsters; and lots, lots more!

“MATCHBOX” 75... seventy-five terrific models to choose from! Collect them all! Tick (✓) the box as you add each model to your collection.

Rolamatics

"Rolamatics" – the terrific action-packed models with built-in working features. As the name suggests, while the model hurtles along, so the working parts move. Collect all the "Rolamatics", and see your models work as you play!
